

# Listen to me and hear my voice

**The conference is aimed at all frontline practitioners who work with adults with care and support needs.**

We would like to invite you to an online safeguarding conference.

We will be giving you some important information about safeguarding.

**We will be telling you about:**

• **fraud and financial abuse**

• **cuckooing**

• **loneliness**

As well as giving you information on what to look out for, we will also be telling you how these forms of abuse affect us and make us feel.

We are excited to be holding this conference and hope you can join us on the **11 November 2020**.
