

MODERN SLAVERY

Is when someone forces you to work long hours for little or no money, or makes you work as a sex worker.

Some people are forced to carry out household tasks and maybe restricted to leave the house.

Modern slavery is when someone forces you to work / do something for someone!

You are locked in your room when not working.

Human Trafficking is moving people to other locations, using force.

Controlling everything you do.

Threatening you if you don't do what they say.

Making you do criminal things – drug trafficking, stealing from shops.

ABUSE IS WRONG!
