

NEGLECT or Acts of Omission

Is when someone who is meant to look after you doesn't look after you properly.

Abuse can happen in different ways; other people may recognise it before you do!

Neglecting is not taking care of you properly – but they should be!

Not feeding you properly.

Someone being cold or off with you.

Not giving you the medication, you need for you to stay well.

Not keeping you warm.

Not making sure you have clean clothes to wear.

ABUSE IS WRONG!

**YOU MUST ALWAYS TELL
SOMEONE!**

DO NOT IGNORE IT! REPORT IT!
