

ORGANISATIONAL ABUSE

Is when people who provide your support put the needs of the business before your needs.

This abuse can happen in different ways, other people may recognise it first!

Organisational abuse could be from a care home or hospital.

You should be looked after and feel safe.

Not providing you with safe care.

Not giving you your medication when you need it

Discharging you when you have no one to look after you.

Staff not treating you in a kind and respectful way.

ABUSE IS WRONG!

**YOU MUST ALWAYS TELL
SOMEONE!**

DO NOT IGNORE IT! REPORT IT!
